

The **Piedmont TITAN coop** is now **STRONGER**, more **DURABLE** and **EASY TO USE!**

### Piedmont TITAN Coop

- Smooth and round surfaces minimizes bruises and broken wings, preventing injuries during coop handling
- Spring latch keeps birds safely locked in the coop
- The design guarantees maximum ventilation with quicker and easier cleaning
- Interlocking surfaces make stacking loads easier and eliminate shifting during shipping.
- UV stabilizer reduces aging caused by exposure to sunlight
- Finger holds in all four corners for easy handling
- Door opens outward and rests on top surface
